

## *News from the National Ataxia Foundation.*

The National Ataxia Foundation is pleased to announce that we now have a regularly scheduled time on the new *Starfish Television Network*. Our scheduled time each week is **3:30 p.m. Eastern Time on Saturday afternoons** and at that time the nineteen minute video, "Together There is Understanding", will be aired. Our programming might also be seen at other times on *Starfish*, but it will be regularly scheduled at this time until further notice. *Starfish* is a nonprofit organization, and is providing us this television time at no cost so we encourage you to let your friends, family, co-workers, and others know about these airings. To watch *Starfish* on a DISH 1000 system, go to channel 9408. If you do not have DISH 1000, please go to [www.starfishtv.org](http://www.starfishtv.org) on the Internet and click on the "Watch Live *Starfish* TV" link.

May we also suggest that each of you visit [www.starfishtv.org](http://www.starfishtv.org) and click on "I Want *Starfish* TV" button. Please fill out the information requested and hit the "Send" button. Your information will be kept completely confidential and used only to encourage your local cable/satellite television provider to carry *Starfish*. Doing this will help *Starfish* get a larger audience and will help assure that more people will see our program. Thank you!
