

I am writing to ask you to support an organization that works for a cause that is important to me. The National Ataxia Foundation (NAF) is committed to accelerating the development of treatments and a cure for Ataxia. Their Summer Match Challenge campaign is June 1 – June 30, 2021. Each donation made to NAF during the month of June will be matched by the Michael and Patricia Clementz-Peterson Family Fund, DOUBLING your impact on the Ataxia community.

Your support helps NAF fund research, educate neurologists, build a supportive community for those living with Ataxia, and offer impactful programs such as the Annual Ataxia Conference. Learn more about the organization at [www.ataxia.org/About-NAF](http://www.ataxia.org/About-NAF).

Please forward this email on to anyone else you know who may be able to help. Thank you for taking the time to consider supporting NAF on my behalf!
