

Ataxia is a rare neurological disease.

It is progressive – affecting a person’s ability to walk, talk, and use fine motor skills

Please consider coming out for a day of golf, fun and help spread awareness about this debilitating disease.

*Awareness leads to increased funding,
which leads to increased research,
which leads to increased treatments.*

All payments due in full by Saturday- August 14th, 2021.

*Please make checks payable to **National Ataxia Foundation** and mail with this form to:*
